| YEAR | PUBLICATION   |
|------|---|
| 1983 | Dennison AR, Northeast ADR and Lee ECG<br>Sigmoid Volvulus: evidence of a familial incidence<br>BMJ 1983; 287: 1264   |
| 1984 | Dennison AR and Britton BJ<br>Penetrating ano-rectal injury<br>BMJ 1984; 288: 368   |
|      | Crowe PJ, Dennison AR and Royle GT<br>The effect of pre-operative glucose loading on post-operative nitrogen balance<br>Br J Surg 1984; 71(8): 635-7  |
|      | Northeast ADR, Dennison AR and Lee ECG<br>Sigmoid volvulus: New thoughts on the epidemiology<br>Dis Colon Rectum 1984; 27: 260-1  |
|      | Watkins RM, Dennison AR, and Collins J<br>What has happened to perforated peptic ulcer<br>Br J Surg 1984; 71:774-6  |
|      | Dennison AR and Britton BJ<br>Penetrating ano-rectal injury: an unrecognised hazard for surgeons<br>Dis Colon Rectum 1984; 27: 624-5  |
|      | Dennison AR and Royal GT<br>Acute pancreatitis: Presentation as a discoloured lump in the groin<br>Postgraduate Med J 1984; 60: 374-5   |
| 1985 | Dennison AR, Ball M and Dudley N<br>Preoperative, percutaneous localisation of parathyroid tumours: a preliminary report<br>Ann R Coll Surg Engl 1985 (Sept); 67(5): 276-8  |
|      | Crowe PJ, Dennison AR and Royle GT<br>A new intravenous emulsion containing medium chain triglycerides: studies of its metabolic effects in the pre-operative compared with a conventional long chain triglyceride emulsion.<br>J Parenteral Enteral Nutr 1985 (Nov-Dec); 9(6): 720-4 |
|      | Dennison AR, Watkins RM and Gunning AJ<br>Simultaneous aortic and pulmonary aneurysms due to giant cell arteritis<br>Thorax 1985; 40: 156-7   |
|      | Dennison AR, Watkins RM, Ward M and Lee ECG<br>Simple mastectomy under local anaesthesia<br>Ann R Coll Surg Engl (Lond) 1985; 67(4): 243-4  |
|      | Dennison AR, Alcock CJ, Mason CH, Britton BJ and Pain CH<br>Non-chromaffin paraganglioma presenting as a pelvis   |

|      |   |
|------|---|
|      | metastasis: A case report with a review of the literature.<br>J R Soc Med 1985 (Sept); 78: 763-5  |
|      | Watkins RM, Dennison AR, and Collin J<br>Drug therapy and perforated peptic ulcer<br>Gut 1985; 26(9): 981-2   |
| 1986 | Millard PR, Dennison AR, Hughes DA, Collin J and Morris PJ<br>Morphology of intestinal allograft rejection and the inadequacy of mucosal biopsy in its recognition<br>J Exp Path 1986; 67: 687-8  |
|      | Dennison AR, Ball M, Crowe PJ, White K, Hands L, Watkins RM and Kettlewell MGW<br>The metabolic consequences of infusing emulsions containing medium chain triglycerides for parenteral nutrition: A comparative study<br>Ann R Coll Surg Engl 1986 (May); 68 (3): 119-21 |
|      | Dennison AR and Tibbs DJ<br>Varicoceles and varicose veins compared: A basis for logical surgery<br>Urology 1986; 28(3): 211-17   |
|      | Dawes RF, Royle GT, Dennison AR, Crowe PJ and Ball M<br>Metabolic studies of a lipid emulsion containing medium chain triglyceride in peri-operative and total parenteral nutrition infusions<br>World J Surg 1986; 10: 38-46   |
| 1987 | Dennison AR, Collin J, Watkins RM, Millard P and Morris PJ<br>Absorptive and motor function of orthotopically vascularised segmental ileal autografts<br>Br J Surg 1987; 74: 187-91   |
|      | Dennison AR, Collin J, Watkins RM, Millard P and Morris PJ<br>Segmental small intestinal allografts in the dog, I: Morphological and functional indices of rejection<br>Transplantation 1987; 44(4): 474-8  |
|      | Collin J, Dennison AR, Watkins RM, Millard P and Morris PJ<br>Segmental small intestinal allografts in the dog, II: Inadequate function with cyclosporin immuno-suppression: Evidence of a protein-losing enteropathy<br>Transplantation 1987; 44(4): 479-83              |
|      | Clarke PJ, Ball MJ, Hands LJ, Dennison AR, Tunbridge A, White K and Kettlewell MGW<br>Use of lipid containing medium chain triglycerides in patients receiving TPN: A randomised prospective trial<br>Br J Surg 1987; 74: 701-4   |
|      | Dennison AR, Watkins RM, Sarr M and Lee ECG<br>Adenocarcinoma complicating a duodenal diverticulum<br>Ann R Coll Surg Engl Edinb 1987; 32(1): 44-6  |
|      | Birch JF, White SA, Mulchay KM, Dennison AR<br>Giant cystic neurilemmoma of the upper limb visualised with 3-Dimensional CT reconstruction<br>Elec J Hand Surg  |
